TECHNICAL SHEET

SOUND

In small places, the dvet usually plays acoustically, but in larger places, a high quality amplification adapted to the venue is needed, even simple but of quality. The accordions are already equipped with specific microphones (AKG C416/C419). The only things to provide are:

1 presentation mic Anne	prompt side	Beta87/SM58	DBX160
2 presentation mic Aline	opposite prompter	Beta87/SM58	DBX160
3 Accordion left hand Anne	prompt side	XLR48V	DBX160
4 Accordion right hand Anne	prompt side	XLR48V	DBX160
5 Accordion left hand Aline	opposite prompter	XLR48V	DBX160
6 Accordion right hand Aline	opposite prompter	XLR48V	DBX160
7 return reverberation unit L			
8 return reverberation unit R
